

Village Hall News July 2010

- **Recent Events:** Bryan Woolnough's talk on his Commando experiences was absolutely enthralling and the WI have said they hope to have him back to talk about his subsequent experiences in the police force. The John Denver tribute evening with singer Chris Bannister was attended by 60 people and lived up to the high expectations of this well known performer; we are very grateful for his donation to the Village Hall. An event photo is on our webpage.
